GRAND  
SALON

Consuming raw or undercooked meats, poultry, seafood, shellfish, eggs or unpasteurized milk may increase your risk of food-borne illness.

If you have chronic illness of the liver, stomach or blood or have immune disorders, you are at greater risk of serious illness from raw oysters, and should eat oysters fully cooked.

Please let us know if you have any food allergies and require menu information or other assistance. We will certainly do our best to accommodate your needs.

We serve our guests using Baccarat Crystal Stemware exclusively. Please enjoy with care. A breakage fee will be applied.

As a courtesy to all guests, mobile phones and laptops are not permitted in the Grand Salon. To best accommodate your needs, we invite you to visit the Spacious workspace adjacent to the hotel's entrance.

To allow all guest to enjoy The Grand Salon, tables may be reserved up to two hours for dining and entertainment \*Minimum per table spend of \$75 applies.

Our establishment prides itself in using exclusively the highest quality truffles. We will never use any kind of substitute, artificial or chemical composition such as truffle oil.

20% gratuity will be added to parties of 5 or more
